

Constance J. Dalenberg, Ph.D.

Alliant International University
10455 Pomerado Rd.
San Diego, CA 92121-3725
Fax: 858-839-3897
Voice Mail: 619-606-0440
Phone: 858-635-4835
cdalenberg@alliant.edu

Trauma Research Institute
4350 Executive Drive #255
San Diego, CA 92021
Phone: 858-484-0440
Voice Mail: 619-606-0440

Education

B.A. Psychology, Alma College, 1975
M.A. Child Clinical Psychology, University of Denver, 1979
Ph.D. Social Psychology, University of Denver, 1983

Internship: Antioch University Denver 1984-85

Completed four year coursework and clinical training in clinical psychology and additional four year coursework and research practica in social psychology

Licensed in California: PSY11952
Distinguished Professor, Alliant International University
Director, Trauma Research Institute
Fellow in Orthopsychiatry, American Orthopsychiatric Association
Professional Hypnotherapist: AAPH

Awards and honors

Winner of Annual Award for Clinical Contributions -- International Society for the Study of Dissociation, 2002
Board member, International Society for Traumatic Stress Studies, 2002-2005
Winner of William Friedrich Award for Child Sexual Abuse Research, Assessment and Treatment, 2006 – International Conference on Violence, Abuse and Trauma
Winner of Morton Prince Award for Scientific Achievement, International Society for Trauma and Dissociation, 2010
President, Division 56 (Trauma Psychology), American Psychological Association (2013)
Associate Editor, Psychological Trauma (2012-2015)
Outstanding poster, Division 56, American Psychological Association, 2013
Outstanding poster, Division 56, American Psychological Association, 2014

Outstanding poster, Division 56, American Psychological Association, 2015
Outstanding poster, Division 56, American Psychological Association, 2016
Lifetime achievement award, Division 56, American Psychological Association, 2016

Courses and Seminars Taught

Courses taught at the graduate level

- Inferential and Descriptive Statistics
- Scientific Methods
- Dynamics, Treatment and Prevention of Sexual and Physical Abuse of Children
- Psychology and the Law: Forensic Evaluation and Testimony
- Cognitive Psychotherapy
- Ethics
- Trauma studies: The Holocaust
- Trauma studies: Child eyewitness memory
- Trauma studies: Dynamics, prevention and treatment of family violence
- Trauma studies: Post-traumatic responding
- Introductory and Advanced Social Psychology
- Social Psychology and Clinical Practice
- Introduction to Forensic Psychology

Courses taught at the undergraduate level

- Psychology of Sex Roles
- Psychology of Thought
- Introduction to Psychology
- Social Psychology
- Research and the Field of Psychology (co-taught)
- Adolescence

All courses at the graduate level taught at CSPP-San Diego or Antioch University, Denver, Colorado. All courses at the undergraduate level taught at University of Denver. Average course and instructor ratings consistently above 4 on a 5-point rating scale. Documentation available

Seminars Taught for Professionals

- Assessment and treatment of complex post-traumatic stress disorder
- Research on the treatment of sexual abuse and incest
- Research on the treatment of physical abuse survivors
- Countertransference and the treatment of trauma
- The physical abuse offender

Interactional models of child abuse
False allegations of child abuse: mechanisms and misattributions
False allegations of trauma: assessment and understanding
Fantastic allegations in child abuse accounts
Child eyewitness testimony: methods to increase reliability and decrease
the effects of suggestion
Application of social psychology to clinical practice
Social psychology and the law
Ethical use of psychological testing in court
The dynamics of battering
Defense mechanisms in victims of violence
Children of alcoholics
Alcoholism and violent behavior
Reporting law in California
Ethics, standard of care, and the treatment of recovered memory victims
Children at special risk for abuse
Handicapped victims of child abuse and violence
Expert testimony in child abuse cases
Expert testimony in cases of battering, sexual harassment, and assault
The backlash in historical perspective
Recovered memory: mechanisms and accuracy
Retraction: clinical meaning and management

Employment Chronology

1982 - Present

Expert witness and consultant

Invited addresses sponsored by [partial list]

Academy of San Diego Psychologists

New Zealand Doctors for Sexual Abuse Care

University of California School of

Medicine

Defenders, Inc.

Balboa Naval Hospital

International Society for Traumatic Stress Studies

San Diego Office of the District Atty.

Children's Hospital: San Diego

University of San Diego School of Law

California Western School of Law

Univ. Northern Colorado: ICAN Institute

University of California

School of Medicine

Stuart House

California Psychological Services Center

Consultant to California Board of
Corrections
San Diego Probation Department

1985 - Present

Asst. Professor, California School of
Professional Psychology, San Diego,
1985-1990.
Assoc. Professor, CSPP-SD, 1990-2000
Full Professor, CSPP-SD, 2000-2010
Responsibilities
Distinguished Professor, CSPP-SD, 2010-present
Teaching: Statistics, Social Psychology
Treatment of trauma, law and psychology,
Holocaust studies
Research: Eyewitness testimony,
Diagnostics in trauma cases, false
allegations, recovered memory,
repression, standard of care and
ethics in psychology (see Research
Interests)
Director, Trauma Research Institute
Clinical: Private practice under
faculty practice plan until 1998.
Private practice through TRI, 1998-
present. Licensed in California.
Administrative: Associate Dean
for Academic Affairs: 1985-1989
Asst. Provost: 1986-1989

1986 - Present

Trauma research/treatment
specialist. Recognized as
able to give workshops for
professionals to meet state
requirements for mandated training
in child abuse detection,
interviewing sensitive to true
and false allegations, and
treatment. Licensing workshops
given to psychiatrists, psychologists,
social workers, probation officers.
Over 50 invited workshops and symposia.

1988 - Present

Adjunct Professor, San Diego School
of Law. Lectures on use of psycho-

diagnostics, psychometrics, and statistics in testimony, eyewitness testimony, and standards and ethics in testing in testimony

1984 - Present

Director, Trauma Research Institute
Direct a coalition of researchers interested in the study of trauma, true and false memory, child eyewitness memory, and standards of care in trauma therapy. Formed coalitions and and write small grants to fund data base formation. Conduct research, write monographs help to develop amicus briefs, develop standardized forms for the use of child protection agencies.

1982 - 1985

Director of Research and Education, Institute of Child Abuse and Neglect
Developed initial curriculum, wrote grant proposals, taught, supervised students concerning dynamics and models of child abuse. Developed structured interviews for use in helping children disclose incest or abuse in their homes. Supervised research projects on family violence.

1981 - 1985

Consultant, Alternatives to Family Violence. Denver, Colorado.
Consultation to staff, special recommendations for individual family violence cases, seminars on cognitive therapy

1979 - 1985

Faculty-administrator, Antioch University, Denver Branch.
Responsibilities
Teaching: Statistics, Social Psychology, Treatment of trauma, Research Methods, Interviewing, occasional other courses
Administrative: Directed field placement -- supervised and coordinated students placed in hospitals, RTCs,

outpatient clinics. Assisted Program Director in curricular development and faculty supervision. Directed student counseling
Research: Child physical and sexual abuse, topics in social psychology, topics in ethics in psychology

- 1977 - 1985 Lecturer by contract, 2-3 undergraduate courses per year at University of Denver
- 1982 Taught "Social Psychology for Clinicians" at the doctoral program for the School of Professional Psychology, University of Denver
- 1979- 1980 Consultant, Safe House, Denver, Colorado
- 1977 - 1978 Research Associate, Biomedical Research Support Grant, Cognition and Behavior Change. Dr. Thomas Smith and Dr. Orin Bolstad, Co-Directors, University of Denver
- 1975 - 1977 Staff, Child Study Center. Individual and family treatment (graduate placement)
- 1975 - 1976 Staff, Family Intervention Project. Therapist for families of violent or aggressive children (graduate placement)
- 1974 - 1975 Recipient, National Institute of Mental Health Clinical Fellowship Paraprofessional, Saginaw County Social Services. Development of individual intensive intervention strategies for preschool institutionalized and noninstitutionalized children. Implementation of plans developed by psychotherapists.

Major Research Interests

Child physical and sexual abuse
Schematic analysis of child abuse
Post-traumatic stress disorder in children and adults
Child eyewitness testimony: true and false allegations
Effects of sexual harassment or harassment based on race
Repression and dissociation
Ethics and standards of care in psychology
Milgram's obedience paradigm
The psychology of secrets
Measurement of trauma effects
Transference/countertransference

Selected Papers and Presentations

Dalenberg, C.J., & Smith, T. (1980). *Teaching clinical psychology: Report on a combined social and clinical program*. Rocky Mountain Psychological Association Convention.

Douglas, F., Dalenberg, C & Smith, T. (1980). *Battering, response to battering and locus of control*. Rocky Mountain Psychological Association Convention.

Smith, T., & Dalenberg, C. (1981). *Social recognition theory and attitude change: Triggers, initiators of evaluation*. American Psychological Association Convention,

Braddock, C., & Dalenberg, C. (1983). *Cognitive characteristics of victims of father/daughter incest*. Rocky Mountain Psychological Association Convention.

Wells, K., & Dalenberg, C. (1983). *Development of a scale for normal personality: Styles of attentional focus*. Rocky Mountain Psychological Association Convention.

Merrill, D., & Dalenberg, C. (1984). *Irrational beliefs and the denial phenomenon in alcoholism*. Rocky Mountain Psychological Association Convention.

Dalenberg, C., & Savage, K. *Attributional analysis of child abuse episodes*. Invited address to California School of Professional Psychology, 1985. Invited to repeat address to California State Psychological Association, 1986.

Bruni, J., & Dalenberg, C. (1986). *Profile analysis v. discriminant analysis*. Western Psychological Association Convention.

Dalenberg, C. (1986). *Treatment issues: victims of child abuse*. Second Annual Symposium for Mental Health and Law Professionals.

Dalenberg, C. (1986-87). *Treatment and prevention of sexual child abuse*. Symposia sponsored by the Academy of San Diego Psychologists.

Dalenberg, C. (1987). *Assessment issues in child sexual abuse*. Invited address to hospital psychiatric staff, University of California, 1987. Repeated as invited head of hospital rounds to psychiatry, Balboa Naval Hospital, 1992.

Dalenberg, C. (1986-88). *Victimology and child victims of violence*. Workshop presented to San Diego Probation, 1986, 1987, 1988.

Dalenberg, C. (1987). *Child abuse and alcoholism*. Invited workshop presented to the California Board of Corrections Convention.

Dalenberg, C. (1987). *Research on the dynamics of child abuse*. Symposium sponsored by California School of Professional Psychology and the Institute for Advanced Psychological Studies, San Diego, CA.

Dalenberg, C. (1987). *Everyday violence*. California State Psychological Association Convention.

Dalenberg, C. (1987-1993). *The psychology of eyewitness testimony*. California School of Professional psychology Colloquium. Invited address given 8 times in 1987-1993

Dalenberg, C. (1989-1994). *Psychological testing: deposing the expert witness*. Invited address yearly to a graduate class at University of San Diego School of Law. 1989-Present

Dalenberg, C., & Jacobs, D. (1991). *Attributional understandings of child abuse*. American Professional Society on the Abuse of Children Convention.

O'Neel, K., & Dalenberg, C. (1991). *True and false allegations of child abuse*. American Professional Society on the Abuse of Children Convention.

Dalenberg, C. (1992). *Countertransference responses to issues of sexual attraction in therapy*. Paper presented to the California Psychological Association Conference.

Duvenage, C, & Dalenberg, C. (1993). *Dissociation, child abuse history, and hypnotic susceptibility as predictors of amnesiac barrier strength in a nonclinical*

population. Paper presented to American Professional Society on the Abuse of Children Convention.

Dalenberg, C., Coe, M., Reto., C., Aransky, K., Duvenage, C and Weber, R. (1994). *The development of a measure of dissociation for use on general psychiatric and nonpsychiatric populations*. Paper presented to American Professional Society on the Abuse of Children Convention.

Dalenberg, C., & Drozd, L. (1994). *The measurement of strength of self in children of chaotic and violent homes*. Paper presented to American Professional Society on the Abuse of Children Convention.

Boyette, S., & Dalenberg, C. (1994). *The prediction of adult perception of children's credibility*. Paper presented at American Professional Society on the Abuse of Children Convention.

Dalenberg, C. (1994). *Transference and countertransference in the long-term individual treatment of abuse survivors*. Invited workshop presented to American Professional Society on the Abuse of Children Convention.

Dalenberg, C. (1995). *Finding and making memories: Clinical and empirical support for recovered memory*. American Professional Society Against the Abuse of Children, San Diego Conference.

Dalenberg, C. (1995). *Transference and countertransference in the treatment of adult victims and perpetrators of sexual abuse*. American Professional Society against the Abuse of Children, San Diego Conference.

Dalenberg, C. (1995). *Defending and rehabilitating the child eyewitness to abuse*. Invited address to San Diego County Counsel and San Diego District Attorney's Office.

Dalenberg, C. (1995) *The accuracy of continuous and recovered memories of trauma*. Paper presented to the Society for Applied Research in Memory and Cognition. Vancouver, Canada.

Dalenberg, C., & Abell, E. (1996). *Fantastic elements in child eyewitness testimony*. Paper presented to the San Diego Conference on Responding to Child Maltreatment.

Dalenberg, C. (1996). *Current findings in child eyewitness testimony*. Paper presented at the Children's Hospital Summer Seminar Institute.

Dalenberg, C. (1996) *Therapeutic factors predicting the accuracy of continuous and recovered memories of trauma*. Paper presented to San Diego Conference on Responding to Child Maltreatment

Aransky, K., Coe, T., & Dalenberg, C. (1996). *Dissociation, attachment, and child abuse history as predictors of child disciplinary behaviors*. Paper presented to the San Diego Conference on Responding to Child Maltreatment.

Hallett, S., & Dalenberg, C. (1996). *Post-traumatic symptoms in police officers with and without a history of trauma*. Paper presented to the San Diego Conference on Responding to Child Maltreatment.

Dalenberg, C., Dunkerley, G., & Aransky, K. (1996). *Responses to sexual transference in child sexual abuse victims*. Paper presented to the San Diego Conference on Responding to Child Maltreatment.

Dalenberg, C. *The backlash in historical perspective*. Paper presented at the Children's Hospital Summer Seminar Institute.

Masters, C. & Dalenberg, C. (1996) *Symptom patterns of patients with recovered and continuous memories of child sexual abuse*. Paper presented at the NATO Advanced Study Institute on Recollections of Trauma, Port de Bourgenay, France.

Dalenberg, C. (1996). *The prediction of accurate recollections of trauma*. Paper presented at the NATO Advanced Study Institute on Recollections of Trauma, Port de Bourgenay, France.

Dalenberg, C., Coe, M., & Duvenage, C. (1996) *Physical abuse history and dissociation as predictors of individual differences in the state-dependency of memory*. Paper presented at the NATO Advanced Study Institute on Recollections of Trauma, Port de Bourgenay, France

Dalenberg, C. (1996) *Fantastic details in the child sexual abuse disclosure*. Paper presented at the NATO Advanced Study Institute on Recollections of Trauma, Port de Bourgenay, France

Dalenberg, C., & Collopy, M.J. (1997). *Sexual/affectional transference and countertransference in the care of the sexual abuse victim: The role of touch, disclosure of caring, and sexual feelings*. Poster presented to the International Society for the Study of Traumatic Stress Conference, Montreal, Canada.

Dunkerley, G., & Dalenberg, C. (1997). *Secret-keeping in black and white children: the effects of interviewer race*. Paper presented to the San Diego Conference on Responding to Child Maltreatment.

Dalenberg, C., Hyland, K., & Cuevas, C. (1997). *Predictors and mechanisms of fantastic allegations within child accounts of abuse: Empirical and theoretical issues*. Paper presented to the San Diego Conference on Responding to Child Maltreatment.

Dalenberg, C. Hyland, K. & Cuevas, C. (1997). *The prediction of fantastic elements in trauma disclosure*. Paper presented to the International Society for the Study of Traumatic Stress, Montreal, Canada.

Dalenberg, C., Armstrong, J., & High, J. (1997). *The treatment of the dissociative symptoms within post-traumatic stress disorder*. Advanced training institute sponsored by the International Society for the Study of Traumatic Stress, Montreal, Canada.

Dalenberg, C., & Cuevas, C. (1997). *Common transference-countertransference crises in psychotherapy with abuse victims: Empirical evidence for efficacy of resolution strategies*. Paper presented to the International Society for the Study of Traumatic Stress, Montreal, Canada.

Dalenberg, C. (1997). *The multivictim case: problems and solutions*. Invited symposium presented to the San Diego Conference on Responding to Child Maltreatment.

Dalenberg, C. (1998). *The misuse of child suggestibility data in the courtroom*. Invited training to the San Diego County Counsel.

Dalenberg, C. (1998). *Inexplicable features within abuse disclosures*. Workshop presented to the Children's Hospital Summer Series, San Diego, CA.

Dalenberg, C. (1998). *Countertransference in the treatment of survivors of battering, child abuse, and rape*. Workshop presented to the Naval Family Advocacy Training Series. San Diego, CA

Dalenberg, C. (1998) *Trauma and countertransference: Standards of care in the treatment of trauma*.

- Countertransference responses to inarticulate presentation
- Countertransference responses to requests for validation
- Countertransference responses to bizarre and implausible allegations
- Countertransference responses to client anger
- Countertransference responses to client shame

Countertransference responses to client boundary pressure and sexuality Workshops sponsored by the New Zealand DSAC organization. Presented in Auckland, Christchurch, Dunedin, and Wellington, New Zealand, April, 1998.

Dalenberg, C. (1998) *Countertransference and extreme trauma: Lessons from Holocaust survivors for abuse scholars*. Paper presented to the International Society for the Study of Traumatic Stress

Dalenberg, C., Stammen, C., Eldean, K., & Aransky, K. (1998). *The Trauma Research Institute paradigm: Studying punitive behavior, dissociation, anger, and child abuse history*. Paper presented to the International Society for the Study of Traumatic Stress.

Stammen, C., & Dalenberg, C. (1998). *Provocative child behavior, dissociation, and anger: The prediction of punitive behavior toward children*. Poster presented to the International Society for the Study of Traumatic Stress.

Walters, A., & Dalenberg, C. (1998). *Parental coaching strategies in child abuse accusations*. Poster presented to the International Society for the Study of Traumatic Stress.

Dalenberg, C. (1999). *Inexplicable disclosures: Implications for interviewers*. Paper presented to the Conference on Responding to Child Maltreatment, San Diego, CA

Dalenberg, C. (1999). *Competing legal interests regarding children's testimony*. Paper presented to the Conference on Responding to Child Maltreatment, San Diego, CA

Dalenberg, C. (1999). *Malingering, manipulation and memory*. Seminar presented to the West Coast Child and Adolescent Psychiatry Conference, San Diego, CA.

Dalenberg, C. & Armstrong, J. (1999) *Diagnosis and treatment of DID and the dissociative disorders*. Seminar sponsored by the New Zealand Doctors for Sexual Abuse Care in cooperation with the New Zealand Psychological Association, Auckland, New Zealand.

Dalenberg, C. (1999) *Inexplicable Disclosures: Implications for Interviewers*. Seminar presented to the Center for Child Protection Mini-conference, sponsored by San Diego Children's Hospital and Children's Institute International.

Dalenberg, C. (1999). *Current child sexual abuse research and literature: untangling the effects of shame, blame, and misunderstanding*. Seminar

presented to the Center for Child Protection Mini-conference, sponsored by San Diego Children's Hospital and Children's Institute International.

Dalenberg, C. (1999). *Monsters, magic, and superchildren: Understanding the fantastic child abuse account*. Seminar presented to the San Diego District Attorney's Office and San Diego County Counsel.

Dalenberg, C. (1999). *The treatment of complex PTSD*. Seminar sponsored by the New Zealand Doctors for Sexual Abuse Care in cooperation with the New Zealand Psychological Association, Auckland, New Zealand (repeated in Wellington, New Zealand).

Frankel, S., & Dalenberg, C. (1999). *The forensic evaluation of the DID/MPD patient*. Workshop presented to the International Society for the Study of Dissociation Conference, Miami, Florida.

Frankel, S., Dalenberg, C., & Brown, L. (1999) *Forensic evaluation of the DID/MPD patient*. Workshop presented to the International Society for the Study of Traumatic Stress Conference, Miami, Florida.

Dalenberg, C. (1999). *The treatment of complex PTSD*. Seminar sponsored by the New Zealand Doctors for Sexual Abuse Care in cooperation with the New Zealand Psychological Association, Auckland, New Zealand (repeated in Wellington, New Zealand).

Dalenberg, C. (2000) *The evaluation of the child eyewitness*. Stuart House, Los Angeles, CA.

Dalenberg, C. (2000). *The evaluation of fantastic or implausible elements in abuse accounts*. Summer seminar series, Children's Hospital, San Diego, CA.

Dalenberg, C. (2000) *Violence history and fantasy training as predictors of violent fantasy*. International FVSAI Conference, San Diego, CA.

Dalenberg, C. (2000) *False memory, false report, and dissociation*. International FVSAI Conference, San Diego, CA.

Frankel, S., & Dalenberg, C. (2000). *Risk management and ethical responsibility in treatment of trauma*. Seminar presented to the International Society for the Study of Dissociation, San Antonio, Texas.

Dalenberg, C. (2000). *Countertransference and the treatment of trauma*. Seminar presented to the International Society for the Study of Dissociation, San Antonio, Texas.

Dalenberg, C. (2000). *Countertransference and phases of trauma treatment*. Symposium presented to the International Society for Traumatic Stress Studies, San Antonio, Texas.

Dalenberg, C. (2000). *Dissociation as a continuum and as a taxon: Empirical evidence*. Paper presented to the International Society for Traumatic Stress Studies, San Antonio, Texas.

Dalenberg, C. (2001). *The evaluation of fantastic elements in trauma allegations*. Children's Hospital Forensic Interviewer Training Series.

Dalenberg, C. (2001). *Update on the child suggestibility literature*. Children's Hospital Forensic Interviewer Training Series.

Dalenberg, C (2001) *Countertransference and the visible and invisible difference*. International Society for Traumatic Stress Studies, New Orleans, Louisiana.

Dalenberg, C., & Epstein, J. (2001) *Immediate and short-term responses to Sept. 11th*. International Society for Study of Dissociation, New Orleans, Louisiana.

Dalenberg, C., Palesh, O., & Tauber, Y (2001) *Dissociation, recovered memory and a priori countertransference in the context of ongoing risk*. International Society for Study of Dissociation, New Orleans, Louisiana.

Dalenberg, C (2001) *Countertransference and the negotiation of boundaries with the dissociative client*. International Society for Study of Dissociation, New Orleans, Louisiana.

Dalenberg, C (2001) *Countertransference impasses and dilemmas in the treatment of trauma* . International FVSAI Conference, San Diego, CA.

Dalenberg, C. (2001) *Countertransference responses in the treatment of trauma*. Workshop sponsored by the Center for Traumatic Studies, Ontario, Canada.

Dalenberg, C (2002). *Countertransference and the treatment of trauma*. Workshop sponsored by Nova University, Ft. Lauderdale, Florida.
